

Serendipity's

Activity:

Shop role play

Area of learning:

Personal, Social & Emotional, Communication, Language & Literacy, Problem Solving, Reasoning & Numeracy and Creative Development.

What you need:

Shopping list

Basket and paper shopping bags

Food

Box of money

What to do:

The children will be able to act out play as if they were shopping in a supermarket. Encourage the children to make shopping lists, shop and pay for their food at the till and put their food into carrier bags. Roles can then be reversed.

Learning outcomes:

Independence

Social interaction

Communication skills

Role play

Literacy & numeracy skills

Problem solving skills
